

Hacienda™

Saving is a very fine thing. Especially when your parents do it for you. *Winston Churchill*

May be purchased at MyFonts.com

The owner of a hacienda was called the hacendado or patrón. Aside from the small circle of the hacienda society, the remainder were peones, campesinos, or ranch hands called vaqueros. The peones worked the land that belonged to the patrón. They worked small acres of land and owed a portion to the patrón...
