Various Swash & Contextual Alternates

BDFH'M'N'P'R'T d f k p or The the to &

General Copy

The inspiration & source of this brush lettered script is an in progress and left uncompleted specimen of writing by Charles "Chas" Bluemlein.

After much effort, the original lettering has been tweaked and variations added so as to allow the finished result as a typeface to work more fluidly.

Opentype Features

Miscellaneous Swash Capitals, and Contextual Alternate characters included.

Supported languages include: Albanian, Bulgarian, Catalan, Croatian, Czech, Danish, Dutch, English, Esperanto, Estonian, Finnish, French, German, Hungarian, Icelandic, Irish, Italian, Latvian, Lithuanian, Norwegian, Polish, Portuguese, Slovak, Spanish, Swedish, Turkish & Welsh.

Bender Script

*a stylish brush lettered font created from the
incomplete sample from a true lettering wizard
Mr. Charles "Chas" Bluemlein*

*a Dear Allison Font Types production
Cherry Hill, New Jersey 08358 USA*
